

Your child's journey to success begins here!

Powerful learning through musical play.

The world's leading music and movement program for children **NEWBORN** to 7years of age, enhancing whole-child development and school readiness.

Kindermusik is a method of early childhood education and one of the most widely recognized music education programs for young children.

It's more than just a music class -- it's a holistic approach to early childhood education that integrates music, movement, language and social interaction. Kindermusik curriculum is carefully designed to stimulate cognitive, physical and emotional growth while fostering a lifelong love of music.

Make baby's first class musical !

"He'll use the same repetition skills to help him say his first words."

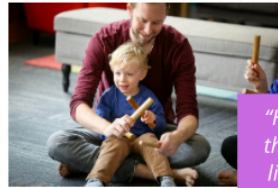

Foundations/ Level 1 (newborn to 18mths)

Foundations classes offer a sensory-rich yet caring and gentle environment where babies can explore and react to new sounds, sensations, and objects.

Listening
Vocal Plays
Object Exploration
Bonding Exercises

Class duration : 45 minutes, once a week with parent/ caregiver throughout the class

"He'll use the same listening skills to follow directions."

Level 2 (18 mths to 3 years)

What should older toddler do in a music class?

A lot more than singing and dancing, along with opportunities for older toddlers to express their own ideas and explore their creativity.

Language Patterns
Identifying Sounds
Musical Concepts
Movement & Socialisation

Class duration : 45 minutes, once a week with parent/ caregiver throughout the class

"She'll use the same problem-solving skill to excel in math."

Level 3

(3 years to 5 years) What should a music class for preschoolers include?

Not only playing instruments, classes focus on sound exploration, ensemble development, creative play and more.

Ensemble Development
Pre-reading Music
Creative Expression
Instrument Play

Class duration : 45 minutes, once a week. Child attends first 30minutes alone. Parent/Caregiver joins for the last 15 minutes of Parent Sharing time.

"She'll use the same sense of rhythm to dribble through the defence"

Why are group music classes the perfect lead-in to private music lessons for kids?

Kindermusik Musicians classes teach children how to read musical notation, play instruments such as the recorder and glockenspiel, provide an outlet to explore new genres, and give children what they need to succeed in future instrument-specific music lessons.

- Musical Concepts**
- Instrument Play**
- Auditory Discrimination**
- Ensemble Experience**

Class duration : 45 minutes, once a week. Child attends first 30minutes alone. Parent/Caregiver joins for the last 15 minutes of Parent Sharing time.
