KNOWLEDGE IS POWER

# What it's About

A practical leadership club that builds clear thinking, confident speaking and positive influence. Pupils learn to organise a team, make sound choices and communicate with purpose through short drills, team tasks and real audience moments.

# What We Do

- Leadership behaviours in action: plan, delegate and review
- Public speaking with structure and presence
- Decision-making using simple ethical scenarios
- Team challenges with rotating roles and quick feedback

# Why It Matters

- Better collaboration and accountability
- Stronger confidence for class presentations and student roles
- Clearer thinking under time pressure
- Real-world skills that transfer to school and beyond

# Focus on LEADERSHIP

- Active listening, accountability and respectful challenge
- Planning, timekeeping and role clarity
- Persuasion through story and evidence
- Reflection that turns experience into progress

## Learning Outcomes

- Lead a short task with clear roles and timings
- Structure and deliver a persuasive message
- Handle Q&A with calm, concise answers
- Give and receive useful peer feedback
- Act on values when decisions are not obvious
-
