# MEET THE TEACHER

**Mr Ross Mackell**

## ABOUT ME

Hello, everyone! My name is Mr Ross Mackell and I am thrilled to be your child's teacher this year. Let me tell you a little bit about myself. I love maths and reading all kinds of different books. I also enjoy going to the gym and playing guitar (but not at the same time). I went to university in Sheffield, England where I learned the importance of building great relationships with the pupils in my class and developed a passion for supporting young learners!

## THIS YEAR, I'M LOOKING FORWARD TO...

All of my previous students will tell you how much I love maths, especially arithmetic! I'm looking forward to going on some fun and interesting school trips and planning special, in-school events.

## FUN FACTS ABOUT ME:

1. I have a cat called Mike, named after the famous boxer Mike Tyson (*he is just as scary*)
2. I can speak Hungarian (*but not very well*)
3. I have lived in Qatar for 5 years
4. I can lift really heavy things
5. I used to be a DJ (*a very long time ago*)
6. I love maths (*I don't know if I mentioned this already...*)
