MEET YOUR CLASS TEAM

Ms Majevadia

INTRODUCTION

Hello, I'm Miss Majevadia. I am so excited to create new, wonderful memories with the class. I have been living in Doha for one year but I am originally from England, UK. I have worked in Year 2 for four years and understand what you might find tricky so I will always help you the best I can. We will work as a team and as a little family. I hope you all have an amazing break. Take lots of pictures so that you can share them with me at the start of the year! See you soon!
